

Product Technical Data Sheet	
Product name: Acesulfame Potassium	AC code: AC02229I
Item	Specifications
Appearance	
Appearance	White powder
Typical Analysis	
Identification	Pass test
Organoleptic Properties• Appearance• Odor	White crystalline powderOdorless
Acesulfame Potassium (dry basis), %	99.0 ~ 101.0
Loss on Drying, %	≤1.0
pH (1% aqueous solution)	5.5 ~ 7.5
Fluoride (as F), mg/kg	≤3
Organic Impurities, mg/kg	≤20
Lead (Pb), mg/kg	≤1
Packaging, transportation, storage, shelf life and origin country	
Package	25KG NET DRUM
Storage	preserve in tight containers at controlled room temperature.
Shelf Life	24 months
Origin Country	China
