### 规格书

### SPEC

|                     |                                   |             |                      |
|---------------------|-----------------------------------|-------------|----------------------|
| 品名:<br>Product name | 一水硫酸锌<br>Zinc sulfate monohydrate | 代码:<br>Cas: | ZYLSX01<br>7446-19-7 |
|---------------------|-----------------------------------|-------------|----------------------|

|                               |                                         |
|-------------------------------|-----------------------------------------|
| 检测项目<br>Test items            | 标准规定<br>Test standard                   |
| 性状 Character                  | 白色或类白色晶体<br>White or off-white crystals |
| 含量 Assay                      | 99.0% ~ 100.5%                          |
| Alkalies and alkaline earths  | ≤ 0.9%                                  |
| Acidity                       | Pass the test                           |
| 铅 Pb                          | ≤ 20 ppm                                |
| 砷 As                          | ≤ 14 ppm                                |
| 菌落总数 Total plate count        | ≤ 1000 cfu/g                            |
| 酵母菌及霉菌<br>Total Yeast & Mold  | ≤ 100 cfu/g                             |
| 金黄色葡萄球菌 Staphylococcus aureus | Negative                                |
| 沙门氏菌 Salmonella               | Negative                                |
| 大肠杆菌 Escherichia coli         | Negative                                |
